

AITC IS YOUR TECHNOLOGY PARTNER

GLOBAL IMPACT AND REACH

AITC, a leading systems integration firm, specializing in providing advanced information technology (IT), training, simulation, and professional services to defense and federal agencies. With a strong global presence spanning countries like Germany, Belgium, Korea, Honduras, Saudi Arabia, Morocco, and a robust domestic presence across over 21 states and 31 locations within the continental United States (CONUS), AITC offers comprehensive end-to-end solutions, making a significant worldwide impact.

COMPREHENSIVE SYSTEM LIFE CYCLE SUPPORT

AITC excels at assisting our clients in defining requirements, conceptualizing, designing, procuring, managing inventory, handling shipping logistics, overseeing installations, conducting rigorous testing, ensuring smooth operations, performing maintenance, and facilitating proper disposal when required.

PROVEN INDUSTRY EXPERTISE

AITC boasts a seasoned executive team with a background in government and military service. Our vision is centered on delivering top-notch services to our clients. With our highly skilled team, each member brings extensive experience and a track record of success in defense contracting and military projects, ensuring a confident and successful execution of our mission.

ABOUT AITC

Headquartered in Winter Springs, Florida, AITC is a leading provider of state-of-the-art technology solutions to defense and federal agencies. Recognized as a Top Workplace by *The Orlando Sentinel* and one of the fastest-growing companies in the state of Florida by *Inc. Magazine*, *Washington Technology* and the *Orlando Business Journal*, AITC attracts top talent ranging from diverse backgrounds in technology services and solutions, engineering, training, and fielding of complex systems for the federal government and public sector.

AITC's most invaluable resource is its dedicated personnel. With a cumulative experience exceeding 125 years in acquisition and services management, coupled with program and project management certifications, our team stands as a beacon of expertise. Additionally, AITC, LLC has a DCSA approved facility clearance and operates its 12,000 sqft warehouse and integration center, equipped with storage and contract manufacturing capabilities. Impressively, more than 60% of our personnel hold security clearances, underscoring our commitment to excellence and security.

Let AITC partner with you to increase your organization's productivity and efficiency by designing and delivering proven and reliable technology solutions!
