

**FOUNDED BY FORMER MILITARY AND IT PROFESSIONALS TO PROVIDE QUALITY SUPPORT SERVICES AND INNOVATIVE SOLUTIONS TO OUR CLIENTS.**

## VISION

To become a recognized leader of end-to-end technology solutions and services across the federal government and public sector.

## MISSION

To deliver cost-effective, innovative solutions and services that consistently exceed our clients' expectations.

### UNPARALLELED EXPERTISE

Headquartered in Winter Springs, Florida, AITC is an established 8(a) and SDVOSB certified systems integrator. Recognized as one of the fastest growing companies in the state of Florida, AITC attracts top talent ranging from diverse backgrounds in technology services and solutions, engineering, training, and fielding of complex systems for the federal government and public sector. AITC's most important asset is its personnel. They are program and project management certified and bring more than 125 years combined experience in acquisition and services management. AITC is Top Secret facility cleared and operates its own warehouse and integration center with the ability to provide storage and contract manufacturing. More than 60% of AITC's personnel hold security clearances.
