

## AITC IS YOUR TECHNOLOGY PARTNER

### VETERAN OWNED BUSINESS

Advanced IT Concepts is an Information Technology Systems Integrator, Service Provider and Value-Added Reseller to federal, state and local government, as well as private organizations.

### TOTAL SYSTEM LIFE CYCLE SUPPORT

AITC proficiently helps our customers identify requirements, conceptualize, design, procure, store, inventory, ship, install, test, operate, maintain and dispose as necessary.

### PROVEN INDUSTRY EXPERTISE

AITC has a formidable executive team and a vision to provide quality services for our clients. Our team is highly skilled with extensive backgrounds and proven success in defense contracting and military projects that provides confidence and success in our execution.

### ABOUT AITC

Headquartered in Winter Springs, Florida, AITC is an established 8(a) and SDVOSB certified, minority-owned, systems integrator. Recognized as one of the fastest growing companies in the state of Florida, AITC attracts top talent ranging from diverse backgrounds in technology services and solutions, engineering, training and fielding of complex systems for the federal government and public sector.

AITC's most important asset is its personnel. Bringing more than 125 years of combined experience in acquisition and services management, they are also program and project management certified. AITC is Top Secret facility cleared and operates its own warehouse and integration center with the ability to provide storage and contract manufacturing. More than 60% of AITC personnel hold security clearances.

Let AITC partner with you to increase your organization's productivity and efficiency by designing and delivering proven and reliable technology solutions!
